A few words from our clients

Several of the sponsor reps were very impressed with the Power Pep Band and your performance. They said it really revved up the event. I am sure word will circulate that those crazy Scotty Fund People had a band that really **MADE** the event... you earned much stature on the mountain and everyone loved you.

Adriennee Graham Kinney, President/CEO, Scotty Graham Memorial Fund

The Power Pep Band plays a crucial part in our Games Ceremonies. They set the tone at the beginning of the event keeping everyone entertained and upbeat, then take it up a notch for the Parade of Athletes, keeping everyone on their feet, clapping and cheering while 700 athletes march in. Their enthusiasm and flexibility add greatly to the success of Special Olympics Games Ceremonies. They work with us on the script, adding ideas for music and improving the experience for the athletes, volunteers, and family members we serve. The Power Pep Band is Great!

Linda Kirkland, Special Olympics Oregon COO

When the Pep band played outdoors at Metro Parks and Greenspaces trail and grand opening events everyone loved it! Not only is their acoustic sound great fun - when mixed with the players enthusiasm it becomes a complete show.
