

Dear Organizer,

Thank you for considering the Power Pep Band for your event.

The international-award-winning Power Pep Band draws from members from college athletic bands across America and blends that experience with our own sense of excitement to bring to you what we call *The Power That Rocks*. The band has delivered that *Power* to fairs, festivals, corporate events, parties, and charitable events throughout the Pacific Northwest and Canada since 1999.

The Power Pep Band:

- provides a fun, high-energy, interactive show,
- performs music that makes people move and feel good,
- generates excitement in the crowd,
- has a variety of music that will energize any audience,
- and is capable of performing for a large or intimate group.

Whether if it's modern Top 40 hits, timeless classics, heavy rock beats, cool Latin groove, or holiday singalongs, with a repertoire of over 100 songs, we can design a show to match your needs.

You can see the band in action at our website: powerpepband.com. A promotional packet with DVD is available upon request.

Client Reviews

The Power Pep Band plays a crucial part in our Games Ceremonies. They set the tone at the beginning of the event keeping everyone entertained and upbeat, then take it up a notch for the Parade of Athletes, keeping everyone on their feet, clapping and cheering while 700 athletes march in. Their enthusiasm and flexibility add greatly to the success of Special Olympics Games Ceremonies. They work with us on the script, adding ideas for music and improving the experience for the athletes, volunteers, and family members we serve. The Power Pep Band is Great!

- Linda Kirkland, Special Olympics Oregon COO

Several of the sponsor reps were very impressed with the Power Pep Band and your performance. They said it really revved up the event. I am sure word will circulate that those crazy Scotty Fund People had a band that really MADE the event... you earned much stature on the mountain and everyone loved you.

Scotty Graham Memorial Fund

When the Pep band played outdoors at Metro Parks and Greenspaces trail and grand opening events everyone loved it! Not only is their acoustic sound great fun - when mixed with the players enthusiasm it becomes a complete show.
